TPE material for sealing rings in waste water piping systems

PRODUCT SPECIFICATION

Technical specifications of the product.

Type TPE material	Nominal hardness in IRHD
TPE Evoprene [®] G6260 Black 5156	60

The product above complies to the requirements laid down in BRL 2020 “TPE pipe joint seals for non-pressure waste water”. Additional requirements are included in BRL 2020 compared to EN 681-2 “Elastomeric Seals-material requirements for pipe joint seals used in water and drainage applications-Part 2: Thermoplastic Elastomers”.

MARKING

The products are marked with the KOMO[®]-mark. The realisation of the mark is as follows: imprint on packaging label. Place of the mark: on the smallest packaging unit.

Compulsory indications:

- word mark KOMO;
- the manufacturer's name or registered trademark;
- year of manufacture and preferably the quarter;
- the type of TPE.

RECOMMENDATIONS FOR THE USERS

The products are intended to be applied in plastics piping systems for non-pressure underground sewerage and drainage.

Hereby the following application conditions must be taken into account: NPR 3218 “Non-pressure underground sewerage and drainage. Construction and maintenance”;

Consult the installation instructions of the producer for the correct way of storage, transport and processing of the products.

Check at the time of delivery whether:

- the products are in accordance with the agreement;
- the mark and marking method are correct;
- the products show no visible defects as a result of transport etc..

If you should reject a product on the basis of the above, please contact:

- Mexichem Specialty Compounds Ltd.

and, if necessary:

- Kiwa Nederland B.V.

Check whether this certificate is still valid by consulting the Kiwa website: www.kiwa.nl

CONSTRUCTION PRODUCTS REGULATIONS

If a construction product is subject to a European harmonised technical specification, the statements in this KOMO product certificate must not be used as a replacement for the CE marking on such construction product and/or for the associated obligatory Declaration of Performance.
